

Port Stanley Minor Hockey, is a non-profit organization dedicated to the development and enjoyment of youth in our community in the sport of hockey. As in the past the success and development of our children has largely been due to the contributions of our community sponsors, who have gone out of their way to lend financial support to our cause. Every year the money we raise goes toward the development of and ensuring youth in our community enjoy the sport of hockey.

This year we plan on using the donations from our sponsors for such ventures as; contributing to the cost of replacing the home and away jersey's for our entire organization , supporting our development programs through skills and goalie clinics, supporting the development of "early years" hockey players at an introductory level, providing financial support for the development of coaches and training staff and of course lowering the costs involved with playing of the game (example: registration).

We ask that you support our organization by joining hands with us as a sponsor. As a sponsor, your organization is sure to receive exposure from media campaigns and all promotions for minor hockey as well as coverage on our internet website and related sponsorship material. Sponsorship can include tournament sponsorship, equipment and jersey sponsorship, skills and development sponsorship, or by individual team sponsorship. We will work together to find the best way to promote your business as a thank you for your contribution to our success.

We are looking forward to hearing from you. In case you have any queries, you can contact us anytime. On behalf of the Port Stanley Sailors, the players, parents and coaches we thank you for being our partner in the past and hopefully you will continue to support us in our endeavors.

Yours Sincerely;

Natalie McCrea

Director of Sponsorship

Port Stanley Minor Hockey Association
